

Will Return To Mexico.

Mr. H. Y. Blake who has been engaged in business with the commercial house of L. Villegas for the past year will leave, with his family, the first days of August for Mexico City to reside. He will resume his former position with the Sonora News Company in Mexico City.

Mr. Blake has since his coming to Laredo last August made many friends here and who greatly regret his leaving here and who will be sorry to lose the generous good-nature and genialty of his companionship. Mrs. Blake's return last summer to the town of her girlhood was received with much pleasure by old-time friends and these together with many new friends that her pleasant personality has gathered, will regret her departure from Laredo.
